THE EVENT at a GLANCE

What better way to bring a community together than to create a party centered around man's best friend - the dog and favorite sport - golf! April 11, Masters weekend, we will be serving lunch, enjoying a fashion show and competition of Masters-themed hats, and watching the adoptable dogs show off their cuteness too.

Fun events are just that...FUN! You can walk around and enjoy the tables of our sponsors, enjoy a fabulous day overlooking one of the nicest golf courses in our area, and enjoy the crowd that is at the course to play and dine, and enjoy the group that will assemble specifically for the Masters Hat and Hound Show. Hey, why not enter a Masters-themed hat featuring your corporate logo too! All of this while raising money for the animals at the Spartanburg Humane Society!
